3. Choose One Of Two Investment Methods

Each program transfers a given amount automatically from the Guaranteed Interest Option (GIO) to the variable investment options. The GIO earns a fixed rate of interest, while the variable investment options are designed for faster growth.

A. **Automatic Transfer of Interest.**

The monthly sweep of interest from your GIO can be transferred either entirely into a single variable investment option or into more than one variable investment option.

B. **Automatic Transfer of Fixed-Dollar Amount.**

A monthly fixed-dollar amount (\$50 minimum) is transferred from the GIO into one or more variable investment options.

4. Choose Your Variable Investment Option(s)

A. If you selected Automatic Transfer of Interest:

- If you decide to transfer interest to only one variable investment option, write 100% next to your selection on the following page; or
- If you wish to transfer interest to *more than one variable investment option*, write whole-number percentages in the spaces next to the variable investment options you have selected. *These percentages must add up to 100%.*

Terms And Conditions

1. You can change the way your savings are invested at any time by sending us a *Request For Service* form or by using the Telephone Operated Program Support (TOPS) System.
2. You cannot elect both the Automatic Transfer of Interest and Automatic Transfer of Fixed-Dollar Amount methods simultaneously.
3. You cannot elect the Investment Simplifier program if the Asset Rebalancing Program Option II is in effect.
4. If you request a transfer while the Investment Simplifier program is in effect, we will process the transfer as requested; the Investment Simplifier program will remain in effect unless you request that it be canceled in writing.
5. Investing in the variable investment options does not guarantee a profit or protect against loss in a declining market. (Of course, the principal in your GIO is not affected by the stock market.)
6. Financial transactions will be verified by a confirmation notice. If you do not receive a notice within 14 days of the transaction, please notify us immediately.

Automatic Transfer of Interest.

7. AXA Equitable will verify that a minimum of \$7,500 is in your GIO as of the first business day of the month following receipt of this form by AXA Equitable's EQUI-VEST Processing Office. The first transfer will occur on the last business day of that month, and future transfers will occur on the last business day of each month.
8. If the amount in your GIO falls below \$7,500 at the beginning of the month, no transfer will be made that month. The interest sweep feature will automatically stop if this occurs for two consecutive months.

Automatic Transfer of Fixed-Dollar Amount.

9. AXA Equitable will verify that a minimum of \$5,000 is in your GIO upon receipt of this form by AXA Equitable's EQUI-VEST Processing Office. The first transfer will occur on the last business day of that month, and future transfers will occur on the last business day of each month.
10. This election will automatically stop under these circumstances: the number of transfers indicated on this form have been completed and the balance in the GIO is zero.
