III. AUTHORIZATION

I hereby authorize MONY Life Insurance Company (MONY) to enroll me in the Auto Re-Balancing Program. I understand that this program involves the automatic transfers of fund values at the interval specified above to maintain the desired allocation indicated above. These transfers involve the sale of units of the subaccounts where fund values have increased and the purchase of units of subaccounts where the fund values have decreased.

The terms of this authorization will remain in effect until the policy matures, the policy is surrendered, I cancel my participation in the Auto Re-balancing Program, in writing or by phone (subject to telephone procedures) or a subsequent authorization is submitted. Subsequent authorizations will be effective on the first business day following the end of each re-balancing period. MONY does not currently assess a charge for this program, but it reserves the right to assess a charge. MONY reserves the right to terminate or change the terms and conditions of the program, at any time, effective 15 days from the date of written notice of such termination or change.

This program may not be used concurrently with the Dollar Cost Averaging Program. The Auto Re-Balancing program does not provide me, the owner, with assurance of a profit and does not guarantee protection against a loss in declining markets.

I will not look to MONY to indemnify me for any investment loss I may suffer as a result of my participation in the program.
