About This Option

The Periodic Payment Plan Option allows any beneficiary to use the benefits from an EQUI-VEST annuity to purchase another EQUI-VEST fixed or variable annuity. By spreading out the payment of benefits, you only pay taxes on the amount you receive.

There are several Periodic Payment Plans to choose from and a worksheet is attached to help you estimate the amount of your payments. Your financial professional can also provide a personalized quote based on your age and the amount you would like to use to purchase a Periodic Payment Plan. Or call us at 1-800-628-6673.

If you are receiving benefits from more than one annuity contract and/or you wish to establish more than one Periodic Payment Plan, simply make copies of this form and complete a separate form for each plan you want to establish.

This plan cannot be modified once payments begin.

Who Qualifies?

Any beneficiary of an EQUI-VEST fixed or variable annuity may elect this option for all or a portion of benefits received from another EQUI-VEST annuity. However, for most plans, \$2,000 is the minimum amount per beneficiary that may be used to purchase an annuity under this option. There may also be restrictions on the amount of time this option is available after the Annuitant's death.

Exclusions

All beneficiaries qualify for this plan, except as follows:

- **Special Deposit Option** is only available to beneficiaries of non-qualified (NQ) annuities.
- **Special Installment Plan (for entities)** is the only option available to beneficiaries that are entities, i.e., not individuals. In the case of tax-qualified plans, the time period may be restricted.
